

JAP REQUEST MAY CAUSE PLAIN TALK

UNITED STATES WILL STUBBORNLY DISPUTE ANY MATERIAL CHANGE

Believe the Proportionate Strength Should be Ratio of Five to Ten Instead of Six to Ten as Fixed—Japan Wants Ratio Seven to Ten—Are Ready to Talk About China

WASHINGTON, Nov. 18.—Japan's request for an increase in the proportional strength of her navy may lead speedily to some plain talk across the council table of the arms conference. The American delegation stands ready to dispute stubbornly any material change from the ratio set forth in the American plan. That ratio was emphasized by highest authorities today, reflects existing proportional strength and so cannot be altered without upsetting a fundamental principle of the whole plan. In effect the American figures would give Japan six fighting ships to every ten owned by the United States and every ten owned by Great Britain. The Japanese have hinted, but never formally announced, that they want seven to ten. The naval experts of the United States really believe that five to ten is nearer the proper allotment.

Great Britain has accepted the six to ten plan in principle but her spokesmen have been silent about the new Japanese proposals.

SENATE ACTION WILL PUT BAN ON MEDICINAL BEER

You Better Hurry If You Want to Get Your Share

WASHINGTON, Nov. 18.—The brief days of medicinal beer were considered numbered today when the senate by a vote of 56 to 22 finally adopted the conference report on the anti-beer bill.

With legislation action concluded, the bill, fought over for months, now goes to the president, who is expected to give it his approval within the ten-day period in which he can act. It was thought possible, however, that there might be a few days' delay while an opinion as to the constitutionality of the measure was received from the attorney-general. Until the president's pen goes on the bill, manufacture and sale by physician's prescriptions will continue, the treasury department announced, but in all quarters, the lease on life for medicinal beer was not placed beyond ten days, although the beer bars went down only a few weeks ago with the issuance of the treasury's beer regulations.

Only an hour's debate, but of extra fervid character, preceded the senate vote today. Prohibition advocates and opponents clashed sharply during the final discussion, lined by agreement. The lineup of the bill's opponents included twelve republicans and ten democrats, while thirty-three republicans and twenty-three democrats supported the measure.

Upon enactment of the bill whose constitutionality has been questioned in the senate as an extension of the prohibition amendment in its ban upon beer, an alleged medical and not a beverage concoction, it was deemed certain that brewing interests would carry a test case to the supreme court. Besides prohibiting beer with more than one half of one per cent alcohol the bill would reduce the amount of wine which physicians might prescribe.

PLANT TREES FOR SOLDIER DEAD

Beloit, Wis., Nov. 18.—As a patriotic feature of a program marking the formal opening of the Rockford-Beloit concrete highway at the Rock county, Wis., and Winnebago county, Illinois, state line connection in the outskirts of Beloit, two trees to be known as "Buddy Trees" were planted today by world war veterans in memory of the soldier died of Wisconsin and Illinois. Governor Len Small of Illinois and Governor John J. Blaine of Wisconsin were present at the ceremonies. A large number of citizens of the two states, A banquet was held at Rockford tonight.

POMERENE MAKES SHARP ATTACK ON SEN. NEWBERRY

Would Resign if Such Evidence Was Against Him

WASHINGTON, Nov. 18.—Declaration by Senator Pomerene, democrat, Ohio, that he would resign if evidence such as that submitted against Senator Newberry were adduced against him, marked further consideration by the senate today of Henry Ford's contest of Mr. Newberry's seat as senator from Michigan.

"If I stood here with such evidence against me, I would resign from the senate at once," said Mr. Pomerene.

Asked by Senator Walsh, democrat, Montana, what his action would be if he had violated no laws the Ohio senator replied: "If I were innocent, I'd fight the battle of my life for my rights; I would not remain silent."

Mr. Pomerene charged that majority members of the senate elections committee, presided over by Senator Spencer, republican, Missouri, had blocked all efforts to gather pertinent testimony in its investigation of the case. He asserted that if the committee had wished to be "fair" it would have subpoenaed Mr. Newberry and also would have attempted to get facts about the Newberry funds in the campaign by calling officials of banks which had Newberry accounts.

Mr. Spencer denied that Mr. Newberry was afraid to appear before the committee or that the committee feared to call the senator because his testimony might hurt his case. On the contrary Mr. Spencer argued, Mr. Newberry as well as most of the republican members of the committee regarded the Michigan senator's presence as unnecessary.

Mr. Pomerene again assailed the campaign expenditures, asserting that Mr. Newberry knew all about them and that the senator was responsible for the acts of his agents.

"Yet, I suppose," he continued, "it is the purpose of the republican majority to keep him (Mr. Newberry) here. I know most of them are going to vote to sustain his title to his seat. But I warn them that their decision in this case is going to be reviewed by the higher court of public opinion and it is going to be hard for them to explain their stand."

Much of the time today was taken up with argument over legal phases of activities of the Newberry campaign committee as brought out in the senate investigation for nearly two hours but had not concluded his speech when the senate adjourned until 11 a. m. tomorrow.

BRIEFS

(By The Associated Press)
SPRINGFIELD, Ill., Nov. 18.—Another injunction to prevent the Illinois Commerce Commission from interfering with higher rates, was obtained in the circuit court here today by the LeRoy Electric Light, Heat and Power company. The company asked higher rates some time ago. Their rates were re-suspended for the ten months and then finally permanently denied. The company announces it will charge them notwithstanding the commission's order.

NEW YORK, Nov. 18.—Thirty-three individuals and 25 corporations, members of the Marble Industry Employers association today pleaded guilty to violating the Donnelly anti-trust law.

Supreme Court Justice John F. McAvoy announced that on November 28 he would sentence the defendants, whose operations were revealed by the Lockwood committee's investigation of the building trust last year.

GALEBURG, Ill., Nov. 18.—St. Viators' college of Kankakee has challenged Lombard college of this city to a post-season game to decide the state grid title, in case Lombard defeats Knox in the game this afternoon. Both St. Viators and Lombard have clear slates for the season and each has played three state teams.

WASHINGTON, Nov. 18.—An aluminum palm made from metal which formed part of the framework of the first Zeppelin shot down in the world war, was placed on the tomb of the unknown soldier at Arlington yesterday by a delegation composed of members of the American Legion.

SPRINGFIELD, Ill., Nov. 18.—Playing beneath a washing machine over which his mother was working, two-year-old Daniel Vernon Campbell of Mechanicville, near here, yesterday reached up a chubby little hand and loosened the water plug. Scalding water deluged his body. He died twelve hours later.

CHICAGO, Nov. 18.—What the police regard as the first plot here to interfere with the guarding of mails by United States marines was interrupted yesterday, when William Allen was arrested for handing a bottle of "doped" monishie whiskey to a marine.

Allen said another man gave him the bottle and told him either to sell or give the liquor to the marine. Inspectors pronounced it strong enough to knock a man out for several hours.

KANSAS CITY, Mo., Nov. 18.—Fifteen new cases of smallpox were reported here in the last twenty-four hours, Dr. Bullock, city health director announced today, bringing the total number of cases since the epidemic began up to 214. One death brought the death total to sixty-four.

FRAUDULENT WHISKEY PERMITS IN ILLINOIS

DETROIT, Mich., Nov. 18.—Prohibition Commissioner Haynes announced before returning to Washington today that his visit here had unearthed evidence that indicates issuance of fraudulent liquor withdrawal permits in Illinois.

The commissioner had been informed that two carloads of whiskey were being released from a distillery at Joliet, Ill., at intervals of two weeks, for shipment to the Parke, Davis Drug Company here. Mr. Haynes' inquiry at the drug company's plant disclosed it was using no whiskey in the manufacture of medicine.

Belief that the name of the drug firm was being forged on the permits and that the whiskey released at Joliet was being its way into the hands of bootleggers was expressed by the commissioner.

A special agent has been sent to Illinois to investigate the case.

BELIEVE JAPS WANT AIRLINES CARRIERS

Washington, Nov. 18.—The airplane carrier is the type of ship referred to by Admiral Kato, as the one on which Japan might like to approximate its tonnage to that of the United States and Great Britain it was learned from authoritative sources today.

The Japanese with their habitual patience and perseverance are bent on overcoming, if possible, their present inferiority in air machines. The superiority gained by other powers by actual experience during the war has somewhat alarmed the military and naval leaders in Japan.

With hundreds of islands to protect Japan apparently wants to be able to transport airplanes in large numbers believing that any further war is likely to be largely fought in the air. This is said to be the basis of her desire to have as many airplane units as the other great naval powers.

WILL MAKE REPORT ON FORD'S MUSCLE SHOALS PROPOSAL

Congress Will Hear Result of Investigations Within Few Days

WASHINGTON, Nov. 18.—A report to congress embodying the conclusions of Secretary Weeks' and Secretary Hoover on the proposal of Henry Ford for the purchase and lease of the nitrate plants and water power projects at Muscle Shoals, Alabama, may be made in a few days, it was announced tonight upon the adjournment of a preliminary conference between Mr. Ford and government officials.

Government officials participating in the conference said they saw no reason why the report could not be made in a day or so. Secretary Hoover who presided at the conference however, declined to comment on the subjects discussed as did Mr. Ford and his engineers.

Secretary Hoover announced that the conferences would be continued tomorrow at the war department provided Mr. Weeks was able to attend. Mr. Ford will remain in Washington until the war secretary has recovered from a temporary indisposition. Revised estimates made by army engineers it was said place the cost of construction work on the Wilson dam at figures ranging from \$42,000,000 to \$55,000,000, allowing certain amounts for improvements in navigation.

Mr. Ford's original offer allowed \$35,000,000 for the construction work necessary to complete the dam and it was declared he declined in the conference today to alter that figure.

The difference between Mr. Ford's estimates and those of army engineers, was believed to be the principal point on which an agreement between him and the government hinges. The statement that a report might be made to congress within a few days led some to believe that the conference had reached a compromise on the figures.

HOUSE DEBATES MATERNITY BILL FOR SIX HOURS

Then Adjourns Session Until Today at 11 o'Clock

(By The Associated Press)
WASHINGTON, Nov. 18.—After devoting six hours to debate over the Sheppard-Towner maternity bill, the house adjourned tonight until 11 o'clock tomorrow when the discussion will be resumed. Representative Mondell, republican leader, said he expected a final vote on the measure before the over-Sunday adjournment.

Pronounced opposition to the bill on the ground that it would infringe on state rights developed today after its passage had been advocated by Chairman Winslow and members of the commerce committee. Representative Layton, republican, Delaware, declared the provisions of the bill were injudicious and unnecessary and that it struck at the very foundations of popular government.

TWO MEN KILLED AT HARRISBURG

Harrisburg, Ill., Nov. 18.—Two men engaged in sinking a new air shaft for the Ogara Coal company were crushed to death here today when a tube laden with rock upset allowing the load to fall on the men at the bottom of the shaft. Elbert Johnson of Eldorado and Ohman Dick of Christopher were killed and Luther Kimmel and Dan Sewell, were injured the latter having his clothes literally torn off his back. The accident is said to have been due to a safety catch failing to work upsetting the tub.

NEGRO IS SHOT TO DEATH AT HELENA

Helena, Ark., Nov. 18.—Will Turner, negro charged with an assault on a young white woman here today, was taken by a mob from a sheriff's posse while being removed to Marianna for safe-keeping and after being shot to death by members of the mob, his body was brought back here and burned in the city park. The negro was shot by a brother of the young woman soon after his arrest, but not seriously wounded.

DIFFICULTIES CROP OUT IN OPERA COMPANY

Chicago, Nov. 18.—Difficulties in the business management of the Chicago Opera company which resulted in a change of management last year, have cropped up again it was learned today with the announcement that George M. Spangler, the business manager had been ousted by Harold F. McCormick, president of the International Harvester company, and chief sponsor for the opera.

A. C. Shaw, tour manager of the company for the last six years has been appointed acting manager. Mary Garden continues as director.

CONFEREES KILL AMENDMENT ON INHERITANCE TAX

Proposal Fixed Maximum Rate at Fifty Per Cent

WASHINGTON, Nov. 18.—The senate amendment proposing to increase the maximum inheritance tax rate from the present 25 per cent on estates valued at \$10,000,000 or more to 50 per cent on those of \$100,000,000 or more was knocked out of the tax revision bill today by house and senate conferees.

This amendment formed a part of the compromise revision program brought forward by the senate agricultural bloc and agreed to by republican leaders. This was the only one of the remaining "high spots" in the bill on which the conferees came to an agreement today, but the house managers, in conformity with instructions received yesterday by the house accepted the senate income surtax tax maximum rate of 50 per cent. At the White House today it was said that President Harding was "frankly disappointed by the house action on the surtax amendment and this disappointment was reflected in other administration and some congressional circles."

The house managers accepted today the senate plan to taxing insurance companies. Their plan provides that life insurance companies shall pay an income tax on investment income at a rate yet to be fixed. Mutual insurance companies other than life will be taxed at the same rate on their net income as computed under existing law while all other insurance companies will pay the corporation tax rate on their net income as shown in statements required to be furnished on standard state forms to state tax commissioners. Other agreements reached by the conferees included these:

Struck out the La Follette amendment requiring taxpayers in making their returns to list the tax-free securities held by them. Adopted a compromise amendment exempting from taxation the first \$300 of income received by individuals from investments in building and loan associations, the exemption to run for five years from next January 1.

The house had proposed an exemption on \$500 of such income but the senate struck out the amendment.

Accepted senate amendments ment striking out an original house provision allowing corporations to deduct from their income, gifts to charitable organizations, provided the total did not exceed five per cent of the net in come of the contributing corporation.

Accepted senate amendments providing that where banks and corporations pay taxes for their stockholders, they may deduct the amount so paid in making their income tax returns. The stockholders for whom the taxes were so paid would not be permitted, however, to make a similar deduction in making their returns.

Accepted a senate amendment exempting from taxation, the rental value of dwellings furnished to a minister of the gospel as a part of his compensation.

Accepted a senate amendment exempting receipts received by individuals from ship-owners' mutual protection and indemnity associations not organized for profit.

PACKING COMPANY EMPLOYEES ACCEPT GENERAL WAGE CUT

Employees of Armour and Company Plants Accede to Company's Request—First Time in History of Industry That They Have Agreed—Same Cuts Affect Other Plants

CHICAGO, Nov. 18.—Plant committees of Armour & Co. today agreed to accept a general reduction of wages in accordance with the request made by the company ten days ago. The same cuts, it was said will be accepted in plants of the other packing companies.

This is the first time in the industry that employers and employees have met in plant conferences and agreed on a wage cut.

The following reductions will be made in all plants of Armour & Co., except the one at Fort Worth, Texas: Employees receiving less than 46 cents an hour, cut 7 1/2 cents.

Between 46 cents and 50 cents, inclusive, cut 5 cents.

All over 50 cents, cut three cents an hour.

A minimum wage of 25 cents an hour for adult female labor is provided.

At Fort Worth, the reductions agreed on are: Employees receiving more than 47 1/2 cents, 3 cents cut.

All receiving less than 42 1-2 cents an hour.

Piece work rates in all plants are cut 8 per cent.

The wage reduction will become effective November 28.

Forty-eight men, twenty-four representing the employees and twenty-four the company agreed to the reductions after two days' conference here. The plants affected are located in Chicago, St. Paul, Sioux City, Omaha, St. Joseph, Kansas City, St. Louis, Denver and Fort Worth. About 26,000 employees are affected at present, as none of the plants are using a full force.

When similar reductions are made in the plants of the other members of the big five—Morris & Co., Swift & Co., Cudahy & Sons and Wilson & Co.—125,000 will be affected.

No change is made in the 40 hour a week guarantee or working conditions.

During the war and up until September 15 of this year, by agreement with the department of labor, wages in the packing industry were fixed by Judge Samuel Aleschler, member of the United States circuit court of appeals here. Last spring when the plants declined to further extend the arbitration agreement four of the big five organized employees committees on the lines of an industrial democracy.

What effect today's decision will have on the strike vote recently taken by the Amalgamated Association of Butcher Workmen and Meat Cutters of America may be known tomorrow. Presidents of union locals at eleven packing centers are meeting here with Cornelius Hayes, international president to discuss their action.

Tough officials of Swift & Co., announced that after an all day conference representatives of their employees had voted that a readjustment of wages was necessary in the management and had voted to leave the wage readjustment to the discretion of the management.

Swift & Co. tonight announced reductions for various classes of employees of the Chicago assembly practically corresponding to those fixed by the employees of Armour & Co. and effective on the same date, November 28. Company officials said they expected the other sixteen assemblies of employees to take similar action.

WILD CONFUSION MARKS CLOSE OF MINERS' MEETING

Farrington in Speech Urges Miners to Be Loyal

(By The Associated Press)
PEORIA, Ill., Nov. 18.—Illinois miners closed their convention here tonight and after a hot fight over the next meeting again chose Peoria. Other cities bidding for the convention were East St. Louis, Herin, Springfield and DuQuoin.

The convention ended in wild confusion and by a speech by President Frank Farrington. The president in his closing address urged loyalty and said it was something the miners needed.

"The joint agreement terminates in a few months," he said, "and when this terminates I fear the worst will come. We are confronted with a situation never before faced by our organization. Internal strife threatens us. Outside forces are threatening to destroy us but in unity and harmony we can survie these dangers."

"Attacks will be made upon me, your president and when these attacks are made they will be for the purpose of disrupting our union. The acts of this convention stand before the world as acts of men fearlessly pledged to support their oppressed brothers. In our acts we are apt to receive condemnation. We must stand together regardless of the consequences."

A movement to pension aged miners was laid over until the next convention at the session this afternoon.

TWO MEN HAVE BEEN SHOT BY MAIL GUARDS

(By The Associated Press)
CHICAGO, Nov. 18.—Two men have been shot during the past six days by marines guarding sent from Chicago. Arthur S. Brauer, superintendent of the railway mail service announced today. One of the men was shot at Sioux City, Ia., and the other at Girard, Ill. Both were train riders. Neither was seriously hurt.

Both the men shot were wounded after they persisted in riding on baggage and mail cars after being warned to stay off the rail cars, Mr. Brauer said. The guards have fired on several other occasions without wounding anyone, he added. Orders issued to the marines direct them to prevent suspicious persons riding on the blind baggage or loitering in the vicinity of mail cars. In 90 per cent of railway mail robberies, according to Mr. Brauer one or more of the robbers first board the train, climb over the tender and overpower the engineer.

There have been several happenings in Morgan county within recent weeks to impress anew the value of self-control. These happenings have caused the quite frequent comment that the biggest task a man or woman has in this world is self-mastery. The well controlled are almost always of orderly life and stable character.

When Secretary Mellon issued the medical beer regulations, one guess was that the action would hasten the passage of the anti-beer bill which has been so long pending in the senate. The vote yesterday by which the bill passed indicates that there was something to that prophecy. At any rate something happened and the anti-beer bill is now up to the president for signature. It looks as if the joys of the vets over the Mellon ruling will be short-lived unless a supreme court ruling kills the anti-beer bill.

There have been some stories in the news dispatches suggesting several persons as the "originators" of the plan for the disarmament conference, now sitting at Washington. One thing seems to

be pretty well established, that there are no jealousies at present marring official Washington and consequently no strife at this time in the endeavor to claim the glory for the calling of the conference.

The announcement that packing house employees thru their unions have voted to accept a reduction in pay as suggested by their employers, indicates that reason is prevailing among the organizations represented. The packers suggested lower wage scales and presented the facts to show why such reductions are necessary if the business is to flourish.

With the strike prospect practically removed in this, one of the basic industries, the day of business stability and prosperity should be nearer at hand.

THE TAX WEAPON IN LAW ENFORCEMENT.
The Christian Science Monitor suggests that the revenue officers have more than one way in which to bring about enforcement of liquor law.

"There is something amusing in the way in which the United States revenue authorities are undertaking to turn the tables on some of the gentlemen who have been referred to recently in the United States as bootleggers. The revenue officers have to do with the taxes which the law requires to be collected on the bootlegger's stock in trade, but it is the Revenue Department, also, that handles the income taxes.

"So when the officers discover, thru the arraignment of a bootlegger, that he has apparently been depriving them of taxes due on large quantities of liquor, they turn straight about and levy a heavy tax against him on the basis of the income he may be supposed to have derived from his illegal transactions. When it is noted that in a Brooklyn case, recently, the disclosures in connection with illegal liquor sales were made the basis for demanding income taxes and penalties amounting to over \$1,500,000, it can be seen that, in taxation, the revenue officers have a rather formidable weapon."

"Man, Woman and Marriage"
STARRING
Dorothy Phillips and James Kirkwood
With more than ordinary pleasure we announce the presentation of "Man-Woman-Marriage," the biggest motion picture of the year. A special First National attraction directed by Allen Holubar. This production has been aptly termed a mighty mile-stone in motion pictures. There could be no better name for a picture that is at once a woman's heart, and combined with vast spectacular moments wherein thousands of actors, pagan dancers and barbaric beauties participate. Hordes of women ride bare-legged bare-armed, bare-chested, in the mighty battle of the Amazon with a woman as their leader. Thousands of horses—with monkeys, lions, tigers, chimpanzees, and bears besides. These are the mighty army which Allen Holubar used in the magnetic sequence of drama, revelry, riot and sex-agonism of "Man-Woman-Marriage," the stupendous First National attraction that marks a new mile-stone in film production in America.

CLUBS AND SOCIETY
Shiloh Aid Met
The Ladies Aid society of the Shiloh church met Thursday afternoon with Mrs. Florence Patterson. They held the annual election of officers with the following result: Mrs. Nellie Gunn, president; Mrs. Florence Patterson, vice president; Mrs. Ethel Gaines, secretary; and Mrs. Emma Dodsworth, treasurer. The treasurer's report showed the receipts for the year to be \$437.80; the expenditures, \$104.20, and the balance on hand at the end of the year, \$333.60.

Sew for Bazaar
The members of the Philathea circle of Central Christian church met last evening and spent several hours sewing on doll dresses for the dolls to be sold at the Christmas bazaar in December. Only the members of the sewing committee attended this meeting and the same group will meet next Tuesday at the home of Miss Butcher to make some more dainty doll things.

Party in Honor of Le Roy Barnhart
Mr. and Mrs. L. A. Barnhart gave a most enjoyable party last evening at their home on South Main street in honor of their son Le Roy, whose birthday occurred yesterday. About twenty young people were invited and the hours were made merry with games, music and contests of all kinds. Mrs. Barnhart had used flags and red white and blue crepe paper in very attractive house decorations and the dining room, where excellent refreshments were served late in the evening, was lighted with red and white candles, which shed a pretty glow over the room.

Dinner for Out-of-Town Guest
Miss Esther Davis was the hostess at a charming dinner party given last evening at her home on Webster avenue in honor of Miss Ellett of Kansas City who is a house guest of Miss Eleanor Masters at her South Main street home. A limited number of guests were invited to this delightful social function.

Organize Sewing Club
Twelve ladies met Thursday afternoon at the home of Mrs. Edward Zahn on East College avenue and organized a sewing club to which they gave the name of the "M. M. Coterie." This club

will meet every two weeks and the members will take their sewing and spend a social afternoon. The meeting at Mrs. Zahn's proved a very pleasant one and the new club promises to be an active society. The next meeting of the club will be at the home of Mrs. L. Burton at 823 West Lafayette avenue on Dec. 1.

L. W. C. Society to Have Informal Dance
The informal dance of Alpha Pi Delta, the freshman society at Illinois Woman's college will be held this evening in the society hall of the music building at the college. Plans have been made for a most delightful affair, with music by a four piece orchestra, attractive decorations and the serving of delicious refreshments. Miss Martha Logan has been elected as the president of the society. The plans for this evening are in the hands of the social committee of which Miss Fredericka Balch is chairman. Other members of the committee are Misses Maxine Sperry, Ethel Keller, Helen Hall and Marjorie Clinton.

Hostess to Friday Circle
Mrs. L. P. Hauke entertained the members of the Friday social circle at her home on West North street yesterday afternoon. The hours were pleasantly spent with sewing, music and conversation and late in the afternoon the hostess served dainty refreshments.

Sorosis in Regular Meeting
Sorosis met yesterday afternoon with Mrs. Garm Norbury as hostess at her home on West North street. Biographies and discussions of the works of Thomas Nelson Page and George W. Cable were included in the interesting program given by Mrs. E. C. Lambert. A pleasant social hour and the serving of attractive refreshments closed the afternoon.

South America Subject at South Side Meeting
The South Side circle studied the subject of South American colonization Friday afternoon when the club met at the home of Mrs. Ollie Parker on West State street. Mrs. Winchester was hostess of the day and assisted in the entertaining. "Foreign Influence and Colonization of South America," was the subject of Mrs. Grant Graff's interesting paper. The serving of afternoon tea marked the close of the meeting.

Boys' \$4.00 rain coats make a nice Christmas present and can be gotten at TOMLINSON'S.

PHI ALPHA MET FRIDAY EVENING
Phi Alpha held its regular meeting last night and the following interesting program was enjoyed by a large audience of regular members and guests of the society. Essayist: Rubendall, "The Unknown Soldier"; Parker, "College Spirit".
Declaimers: Fierke, "Man's Best Friend, His Dog"; Govett, "Recession".
Orator: LaRue, "Something About Evolution".
Extemporizer: Smith, "A Vile Trick".
Wittell this: Theis, "Complications and Special Trains"; Gunn, "Armistice Day"; Mabrey, "First Impressions of Illinois College"; Govett, "First Impressions of Illinois College Club".
After a ten minutes recess the following question was debated: "Resolved, That the Closed Shop is Justifiable." The affirmative was upheld by Ebrey and Ifner, the negative by Calhoun and Mabrey. The judges' decision was two to one in favor of the affirmative. The merits of the question did not go to the decision.

PARENT-TEACHER MEETING IS HELD

Reports Are Made at Business Session—Interesting Program Followed.

The Washington school Parent-Teacher association held the November meeting Friday afternoon at 3 o'clock in the gymnasium of the building. There was a splendid attendance considering the bad weather.

The meeting opened with Mrs. Baxter, president in the chair. The minutes of the last meeting were read by Secretary Mrs. Albert Dollear and were approved.

Mrs. MacVicar made a report of her committee on playground apparatus.

Mrs. John Phillips, treasurer then read her report which was accepted. Mrs. Cornick then gave her report as chairman of the Nutrition committee. This committee has done good work and has succeeded so far as to open the nutrition class next Monday morning which is to serve underweight children with one-half pint of milk 5 days a week. The milk will be served to children in one-half pint bottles with straws. The cost to parents will be around 15c per week. All parents who so desire for their children to have this milk and are not able to pay for it, the matter will be taken care of by the Parent-Teacher association.

Another matter was then taken up by Mrs. Adams relative to the flags which the 4th ward children carried Armistice Day. These flags have been given to the children but retained in the building for such affairs. The Parent-Teacher association will give a candy sale Tuesday of next week the proceeds of which will go to pay for these flags.

Miss Olive Blunt then made an address and presented the school with a picture of General Grant which was much appreciated.

This concluded the business meeting and a program followed. This program was entirely by the hands of the teachers and was greatly appreciated by all present. A social hour and refreshments followed the program.

Bring Real BeautyBanishes Skin Eruptions. Puts On Firm Flesh,
Strengthens The Nerves and Increases Energy.Concentrated Tablets Easy and Eco-
nomical to Take. Results Quick.If you want to quickly clear your skin and
complexion, put some firm, healthy flesh on
your bones, increase your nerve force and
power, and look and feel 100 per cent better,
simply try taking two of Mastin's tiny yeast
vitamin tablets with each meal and watch
results. Mastin's VITAMON contains
highly concentrated yeast vitamins, as well
as the other two still more important vita-
mines (Fat Soluble A and Water Soluble C).
Pimples, boils and skin eruptions seem to
vanish like magic under its purifying influ-
ence, the complexion becomes fresh and
beautiful, the cheeks rosy instead of pale,
the lips red instead of colorless, the eyes
bright instead of dull. The whole system
is toned and invigorated, and those who
are underweight begin to get some firm,
"stay-there" flesh. So rapid and amazing
are the results that success is absolutely
guaranteed. Be sure to remember the name—

**BIG TEN CONFERENCE
RACE STILL IN DOUBT**

Indications Point to Tie Between
Ohio and Iowa—Other Games
Will Decide Places Clear Down
the List.

CHICAGO, Nov. 18.—The
Western Conference football season
will close tomorrow with vir-
tually every position in the stand-
ing of the teams dependent on the
results of the five championship
contests scheduled.

From the top where indications
are Iowa and Ohio State will fin-
ish in a tie for the championship
to the bottom where Illinois,
Northwestern and Indiana are
grouped in a tie for last place, the
race for each position is in doubt
tonight.

Ohio State will send its eleven
against Illinois at Columbus in a
contest which is expected to be
another victory for the Buck-
eye's unbroken string in confer-
ence contests. Iowa, Ohio State's
chief rival faces Northwestern at
Evanston in a contest in which
the Evanstonians will have to vir-
tually accomplish the impossible
to defeat the Hawkeye crew. Thus
football observers are convinced
that tomorrow night, barring up-
sets, will find the season ended
with the championship in dispute
for Ohio and Iowa do not meet.

Ohio State followers may point
out that their team faced a hard
schedule while Iowa faced easy
tests.

On the other hand Iowans may
point to the victory over Notre
Dame which conquered the Army
and to the overwhelming scores
rolled up by their machine. A
post-season game between the
two is barred by the conference
rules.

Chicago and Wisconsin will
fight it out on Stagg Field in a
game which will decide third and
fourth places. Wisconsin's re-
cord now is three games won, none
lost and one tied. Chicago's
mark is three and one, so victory
for either team would place it
ahead of the other in the final
standing. The game is expected
to be about even with the victor
winning by only a bare margin.

Fifth and sixth places are being
battled for by Michigan and Min-
nesota, these two eleven meeting
at Ann Arbor, Mich. Victory for
Michigan would assure it fifth
place and fourth place if Chicago
lost to Wisconsin. The standing
of the teams tonight follows:

Team	Won	Lost	Tied
Ohio State	4	0	0
Iowa	4	0	0
Wisconsin	3	0	1
Chicago	3	1	0
Michigan	1	1	1
Minnesota	2	3	0
Purdue	1	3	0
Indiana	0	2	0
Northwestern	0	4	0
Illinois	0	4	0

**I. S. D. TEAM GOES
TO FULTON, MISSOURI**

The Illinois School for the
Deaf football team goes to Ful-
ton, Mo., to engage in a match
with the Missouri School for the
Deaf, the first time that this
school has ever gone to that place.
The Missouri school has been par-
ticipating in inter-scholastic con-
tests for years, while this school
has just entered into athletic
contests after a decline of twelve
years.

Altogether entirely new and green,
the I. S. D. team hopes to spring
a surprise on the Missouri School
for the Deaf, and will endeavor to
give them the battle of their life.
The Kansas School for the Deaf
football team, which has been
rated as the best team for the
Deaf in America beat the Missouri
School for the Deaf by the score
of 26 to 0. The athletic director
is still endeavoring to get a home
game for Thanksgiving. So far,
he has not succeeded in schedul-
ing a game.

Those going with the team
were Mr. Burns, coach; Mr. Mol-
lon, Miss Keane, Miss Haenstab,
Mr. French, Mr. George and Lee
Huff.

**YALE-HARVARD GAME
BIG EVENT IN EAST**

Blue Is Picked to Win Game This
Year—Will be Played on Wet
Field.

NEW YORK, Nov. 18.—Altho
the waning of the eastern football
season is indicated by the shorter
list of contests for tomorrow, the
gridiron battles involve no less-
ening of interest.

Surmounting all other games of
the day is the Yale-Harvard
clash at Cambridge. For the
first time in a decade the Eli
eleven will enter the scrimmage,
an odds on favorite in the wager-
ing.

With wealth of material in
both lines, backfield and reserve
strength, the Blue in certain
quarters is definitely selected to
defeat the Crimson. The chief ba-
sis for this prediction is the de-
feat of both Princeton and Brown
by Yale as compared with the
overthrow of Harvard by the
Tigers and that extremely close
contest between Brown and the
Cambridge team last Saturday.

A careful analysis of the foot-
ball power and ability of the two
teams, however, does not indicate
any great preponderance of
strength or playing skill for either,
so that the result probably re-
solves itself into a question of
individuality and team playing
ability and physical power. It is
generally conceded that the Blue
has the strongest group of first
and second string players.

To offset this superiority Harv-
ard has an attack more deceptive
than anything the Eli's have faced
this fall.

The game will be played on a
wet field and this is expected to
mitigate to some extent against
Yale's running and rushing at-
tack.

In the other more important
games of tomorrow afternoon,
Syracuse is thought to have a
slight advantage over Dartmouth,
due to a stronger line and a more
diversified attack; Lafayette ap-
pears to have greater all round
strength than Lehigh and Brown
and Colgate should prove evenly
matched.

**LOMBARD SNOWS
KNOX UNDER 14 TO 0**

Galesburg, Ill., Nov. 18.—Play-
ing on a mud covered field, Lombard
College football team defeated
Knox 14 to 0 in a city cham-
pionship game. Lombard's first
touchdown was made following a
fumble by Stuart of Knox and
Lombard recovered on the one
yard line.

The ball was put over on the
fourth down after three unsuc-
cessful attempts. Lombard failed
to kick goal. In the second
quarter, Swanson of Lombard
punted from the 50-yard line and
Stuart recovered on the one yard
line. Welch's punt was blocked
behind the line for a safety. In
the final quarter Lombard scored
again on a forward pass when
Swanson intercepted a pass from
Quarterback Welch of Knox but
again failed to kick goal.

**ILLINOIS COLLEGE
IS FULL OF GLOOM**

Millikin Gets Cold Feet and
Cancels Game—Coach Harmon
Will Try to Get Game Thanks-
giving or November 30.

Gloom—great clouds of it—
swept over the Illinois College
campus yesterday afternoon and
soon spread into the business dis-
trict. The day was a dismal,
rainy one well equipped to
dampen football enthusiasm.
However, the kind of football en-
thusiasm which has been soaring
to a high pitch during the last
few days on the Hill, was not af-
fected by the hours and hours of
rain which fell in never ceasing
streams.

The special train had been
secured, the band was all ready,
to make its debut in leading the
crowd of 200 rooters who had
bought tickets for the trip to De-
catur, the last finishing touches
had been put on the team when,
presto!—from Decatur came the
following startling message, sent
by Coach Wann of the Millikin
team:

"Football field under water.
Has been raining three days.
Still raining. If you do not
hear from me before eight
o'clock Saturday morning do
not come. We may have to can-
cel game on account of weather
conditions."

The above message was filed in
Decatur at 2:26 p. m. Feeling that
this telegram was simply a fore-
runner of what was to follow,
Coach Harmon called off practice
for the afternoon altho all of the
players were in uniform when he
reached the gymnasium.

Later in the afternoon Coach
Wann sent the following addi-
tional message: "On account of
downpour of rain it will be im-
possible to play football tomorrow."

Surprise and disappointment
were expressed everywhere upon
receipt of this ultimatum from
Decatur. Surprise, because it is
a rare action to cancel a football
game. Disappointment, because,
after so much time and energy
had been spent in working out
the plans for the special train,
carrying the band and securing
the largest delegation of rooters
that ever left Jacksonville in sup-
port of an Illinois college athletic
team, everyone—players, musi-
cians and rooters, wished to make
the trip and see the game played
under whatever conditions might
exist when game time arrived.

This sentiment was prevalent in
spite of the fact that playing con-
ditions were recognized as favor-
ing the Millikin team inasmuch as
the game was to be played on its
field.

The action taken by Coach
Wann is very unusual. Lombard
and Knox played their annual
game yesterday under conditions
of field and weather which could
not have been worse today at De-
catur.

The Quincy high school
team came to Jacksonville last
night in order to play Jack-
sonville high this afternoon. Their
coming, without inquiring wheth-
er the game would be played
demonstrates that even high
schools expect to play their games
when the time comes regardless
of weather conditions.

Students and other supporters
of the Illinois college team hope
that arrangements may yet be
made whereby the two teams can
meet this season and hope that
Millikin will be as quick and will-
ing to bring about this result as
they were yesterday to prevent
the contest scheduled for today.

Franklin, Nov. 18.—Routt high
of Jacksonville lost to Franklin
high at basketball in Marquette
hall tonight by a score of 42 to 11.
The Franklin team was too fast
for Routt and had things their
own way a few minutes after the
first whistle blew.

Franklin High's second team
defeated the Yankee Five of Jack-
sonville by a score of 22 to 12 in
the curtain raiser. Tho the weath-
er conditions were bad a good
sized crowd turned out for the
game.

**WELKER COCHRANE
SETS NEW RECORD
IN BILLIARD GAME**

Makes Run of 384 and Goes
Out in Five In-
nings

CHICAGO, Nov. 18.—All re-
cords in 18.2 ball line billiards
were broken here today in the
world's championship games by
Welker Cochrane of San Francisco
when he ran out in five innings
and in the fourth made a high run
of 384 in his match with George
Sutton of Chicago. Sutton amas-
sed 57 points.

Cochrane's performance sets a
new high run mark. In 1915,
Willie Hoppe, world's champion,
made a run of 307. At that time
he was playing Cochrane in a hand-
icap match, 500 to 300, and the
final score was 500 to 18. That
run gave Hoppe an average of 83
1-3, exceeded only by an average
of 100 made by George Sutton
many years ago.

The highest run in ball-
line championship made previous to
today was 265 made by Cochrane
two years ago. Last year Ora
Morningstar of San Diego made a
run of 272 in the preliminary
competition of the national tour-
nament at San Francisco. The
run of 384 and the consequent
five innings gives Cochrane the
high average of the present tour-
nament—80.

Hoppe two years ago played a
game with an average of 88, and
Sutton has a losing average of
better than 59.

The score by innings of the
Cochrane-Sutton match:
Cochrane, 6 0 1 384 9—400
Average 80; high run 384.

Sutton, 9 0 1 4 26—57
Average 11 2-3; high run 26.
Willie Hoppe, the champion to-
night made a run of 282 in a
match with Ora Morningstar of
San Diego. Hoppe won the con-
test 400 to 213 in eight innings,
thus remaining the only unde-
feated man in the tournament.

Morningstar won the bank and
ran 96 in his first inning. At the
end of the fourth he had the
champion down, 165 to 50 but
Hoppe's high run changed the
verdict.

**IOWA-NORTHWESTERN
TO BATTLE IN MUD**

Chicago, Ill., Nov. 18.—Indica-
tions tonight were that the Iowa-
Northwestern football game to-
morrow will be played in mud and
cold. A hard rain thruout
the forenoon and evening indicat-
ed that playing conditions to-
morrow would be anything but ideal.
Northwestern's eleven was put
thru light signal practice today.
There will be no change in the
lineup except that Lane, a new
200 man, is expected to replace
Putnam at right tackle. The
Iowa team will arrive at Evanston
tomorrow morning.

STOMACH UPSET?

Get at the Real Cause—Take
"Dr. Edwards' Olive Tablets"

That's what thousands of stomach
sufferers are doing now. Instead of
taking tonics, or trying to patch up a
poor digestion, they are attacking the
real cause of the ailment—clogged
liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse
the liver in a soothing, healing way.
When the liver and bowels are per-
forming their natural functions, away
goes indigestion and stomach troubles.
Have you a bad taste, coated
tongue, poor appetite, a lazy, don't-
care feeling, no ambition or energy,
trouble with undigested foods? Take
Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a
purely vegetable compound mixed with
olive oil. You will know them by their
olive color. They do the work without
tripping, cramps or pain.

Take one or two at bedtime for quick
relief. Eat what you like. 15c and 30c.

THE LURE OF MUSIC

Did you know that
a boy, Puccini,
who later composed
La Boheme, Tosca,
and Butterfly, was a
failure in everything
that he undertook,
but he had a bulldog
tenacity and a mother
who believed in him?

JACKSONVILLE WILL PLAY QUINCY TODAY

Team Came Over on Train Last Night—Game Will Start at 2 O'Clock.

Jacksonville will put on a swimming match with Quincy high school on Illinois field this afternoon. A football game was originally scheduled but it is kept on raining it will require expert swimmers to keep afloat.

However, there is one thing about football. No game is ever called off on account of the weather, unless one of the teams get cold feet. The Quincy team came in last night and are quartered at the Pacific.

The coach of the team said last night that he was without the services of four of his regulars but would have no alibi to offer if they got beat. One of his men had a leg broken in the game against Pittsfield and the team has been unfortunate in other injuries this year.

Despite this, the team has played some good football and last Saturday held the strong Monmouth team to a tie. Quincy will use practically the same lineup that was used against Monmouth last Saturday.

Coach Mitchell gave his men a final workout yesterday afternoon despite the rain. The men are all in good shape and the coach over confident believe they can take the measure of the Quincy team.

Mitchell will start the same team that lined up against Weverly and Springfield. The probable lineup of Quincy this afternoon follows:

Affree, re; Wachtell, rt; Brown, rg; Bowman, c; Adams, lg Shields, Capt., lt; Johnson, le; O'Farrell, qp; Brackeusth, rh; Shallenberg, rh; Tocras, rb.

The game will be called at 2 o'clock. John Larson will referee but the other officials were not known last night.

HELLO, BILL!
Big Turkey, Geese and Duck Shoot Monday, Nov. 21, 8 p. m. Elks Club. Be sure and attend. All kinds of entertainments.

EXPERT TESTIMONY IS INTRODUCED IN ARBUCKLE'S TRIAL

Court Room is Crowded for First Time in Three Days

(By The Associated Press)

SAN FRANCISCO, Cal., Nov. 18.—Final selection of the jury and the introduction of expert medical testimony were today's developments in the manslaughter trial of Roscoe C. ("Fatty") Arbuckle in connection with the death of Virginia Rappe. The room was crowded for the first time in the three days.

Doctors Selby P. Strange, acting city autopsy surgeon and William Ophuls who conducted both external and internal examinations of Miss Rappe's body were the first witnesses. They described the bladder rupture which caused Miss Rappe's death. The prosecution accuses Arbuckle of causing this injury thru application of external force.

A half hour argument was built around a defense question to Dr. Ophuls as to whether Miss Rappe's fatal injury might have been caused by sudden immersion in a tub of cold water. The question, amended several times, was allowed and the doctor said that such an injury was possible from such a cause. He also said the jury was possible from other causes.

Miss Rappe was immersed in a tub of cold water during the party in the Hotel St. Francis at which time it is alleged she was fatally injured.

Some time was passed in discussion as to whether there should be Saturday and night sessions. Gavin McNab, chief counsel for the defense suggested that no session be held tomorrow on account of the football game between California and Stanford Universities. The court said he desired to proceed tomorrow. Court and counsel left the matter to the jury to decide overnight.

Arbuckle's expression changed from cheerfulness, apparent at the time the jury was selected to concern and worry during the taking of the testimony. He listened intently and looked almost weebegone at times when he apparently interpreted the evidence as damaging to him.

PLEASING PROGRAM AT MURRAYVILLE

The second number on the lyceum course, given by the Murrayville high school, was given at Carlson's hall, Friday evening. The program was presented by a symphony orchestra and was greatly enjoyed by the large audience present.

Budget Drive at Critical Stage

Due to unfavorable weather and some other causes, the United Budget campaign is not moving in a satisfactory way. Four days of the campaign have passed and just about one-half of the budget has been subscribed.

Commenting upon this situation, H. M. Capps, chairman of the executive committee said yesterday, "The number of subscriptions received has been equal to our expectations and shows a great deal of interest and activity on the part of the workers. However, the size of the subscriptions has not measured either to expectations or the needs. The committee cannot but feel that a great many people do not thoroughly understand the budget campaign plan. The causes were consolidated for the purpose of reducing campaign expenditures and lessening the amount of labor. Without the budget plan it would be necessary to make five separate campaigns."

"It appeared to the committee after thorough investigation that it would be much better to consolidate the campaign work, make one task of it and have it done in a short period of time. Many of the subscriptions for the five causes have not been larger than the person, who has made the pledge, has been in the habit in the past of contributing to one of the causes."

"Another fact of which the committee takes note is that practically all contributions are in cash. The organizations represented in the group of five do not need cash all at this time."

DR. NORRIS PRESENTED FACTS ABOUT CANCER

Made Informing Address to Rotarians—Chairman Capps of the Budget Campaign Urged More Generous Support.

At the Friday luncheon of the Rotary club at the Pacific hotel Friday, Dr. F. A. Norris was the principal speaker. His theme was "Cancer and the Methods of Treatment." Preceding this address President Riley called on H. M. Capps for a statement, with reference to the United Budget campaign.

Miss Leola Aikman, who has appeared at the opera house in concert programs during the recent days, was present and sang a well received solo. Dr. F. S. Hayden was one of the guests present and in the few moments allotted to him told something of his personal observation in connection with cancer and its symptoms.

Mr. Capps in referring to the United Budget campaign gave the figures as to the number of subscriptions and explained that many of the subscriptions made were not of a size expected. He commented too upon the fact that so large a per cent of the subscriptions were in cash, whereas time payments were expected. Mr. Capps made it plain that it is necessary for citizens to join more heartily in the movement if the subscription goal for the organizations is reached.

Surprising Statistics.
The facts that Dr. Norris presented concerning cancer were surprising to most of his auditors, who had little idea that the disease is so prevalent. To emphasize this fact, Dr. Norris said that in the war time there were 80,000 deaths in the United States army and that during that same period 180,000 citizens, men and women, died from cancer. He told of the modern methods of treatment with radium and advances made in treatment methods in recent years. He said that physicians frankly confess that they do not know the cause of cancer, and that the best they can do is to devote their energies to detecting the symptoms and applying remedies.

Dr. Norris gave some plain facts as to symptoms of cancer and impressed his hearers with the need for taking notice of these symptoms and beginning the early stages of the disease to take the remedial steps. While dealing with a technical subject, Dr. Norris used language and terms that laymen quite readily understood.

ZACHARY INDICTED BY GRAND JURY

CHARGED IN SEVEN COUNTS WITH CRAWFORD MURDER

Edsworth Pires Also Indicted for Murder of James Gaddis—Unusual Number of Forgery Cases—Reports on County Farm and Jail.

The Morgan county grand jury completed its work Friday afternoon and was discharged for the term. Indictments for murder were returned against Samuel T. Zachary and Edsworth Pires. Seven counts in the indictment against Zachary charged him with intent to "kill and murder Luther Crawford." There are three counts in the indictment against Pires, who is charged with the murder of James Gaddis.

Each of the seven counts against Zachary described the wounds the murdered man received in a somewhat different way. The grand jury recommended that both Zachary and Pires be held without bail.

The only procedure now for the securing of their release on bail would be thru habeas corpus proceedings and a showing that they have a defense likely to result in acquittal.

Several other true bills were returned by the jury. James Ryan, alias James Gordon, was indicted on the charge of forging a check for \$12, using the signature of W. F. Loneragan. The check was made payable to the International Catholic Truth Society and was drawn on the Ayers National bank. Bond was fixed in the sum of \$1,000. The grand jury also brought in a true bill against Oliver Hamm, charged with assault with a deadly weapon. Hamm is accused of attacking Eugene Frost with a hammer Sept. 15 of the present year.

Another forgery case was that of John Hillies, who is accused of forging the name of James Smith to an Ayers National bank check for \$10, Aug. 13, 1921. His bond was fixed in the sum of \$1,000.

William Gray was indicted on a charge of burglary and larceny and bond fixed in the sum of \$1,000. The counts of the indictment show that at least twice before true bills for larceny have been returned against the defendant, F. K. Hull and Floyd Short were indicted jointly on a charge of burglary. It is alleged that they took goods from the garage of Rousey & King in Murrayville, Nov. 6. Ball was fixed at \$1,000.

Oscar Gray was indicted on a forgery charge. The evidence indicated that he used the name of P. C. Travis, forging a check on the Ayers National bank for \$66.75. The check was made payable to Carl West. Bond in this case was fixed at \$1,000.

Another true bill was for forgery against Walter Pate, who it is alleged used the name of Robert Miller and on Sept. 23 drew a check for \$15 payable to J. L. Solomon. This check was made on the Murrayville bank.

Cases Ignored.
The grand jury investigated and did not find true bills against the following:

Oliver Shuff, assault with a deadly weapon.
Adolph Barnes, forgery.
Thomas Story, petty larceny.
Luke Russell Crawford, forgery.

County Jail Report.
The report made by a special committee from the jury on condition of the jail was as follows:

"To the Honorable E. S. Smith, Judge of the Circuit Court of Morgan county:
"We, the committee appointed by the foreman of the grand jury now in session, beg leave to submit the following: That we visited the county jail and found six male persons, four colored and two white. We talked with each of the prisoners and were informed by them that they were well treated and well fed and had no complaint against the jail or jailer. We happened there at noon when the prisoners were being given the noon meal and will say that in our opinion it was good enough for anyone."

"We further find that the matron, Mrs. W. H. Weatherford, is intensely interested in the sanitary and humane welfare of the prisoners."

"We recommend that the rear main cell room, walls and ceiling be cleaned up with a coat of paint. We believe that steel used in the cells in the west or old part of the jail should be torn down and placed on the walls of the east or new portion of the jail in order to keep the prisoners safe from escape, and also that it would be possible for the jailer to allow them to mingle outside of the cage which is impossible under the present arrangement."

"Signed,
W. L. Alexander,
Edward Barick,
J. G. Gove,
James L. McLain,
A. W. Becker."

"To Hon. E. S. Smith, Judge of Circuit Court:

"This committee, representing the Morgan county grand jury, made a trip of inspection to the Morgan county home. We inspected all the buildings and the farm proper and have no hesitation in commending the management of Supt. and Mrs. Walters. The buildings are all in a clean and wholesome condition and everywhere the farm buildings and fields give proof of both industry and the intelligence of the methods used."

"So far as physical improvements are concerned, we recommend only at this time that some repairs be made on the wash house, which needs some work done on it to put it in proper condition and thus save a still larger expense at a later time."

"We found 2 women and 19 men being cared for at the home,

WHAT RELIGIOUS REVIVAL DID
John Richard Green, the great English historian said of the Wesleyan revival. It carried to the people a fresh spirit of moral zeal, while it purified our literature and our manners. A new philanthropy reformed our prisons, infused clemency into our penal laws, abolished the slave trade, and gave the first impulse toward popular education."

If France had seen such a religious awakening at the same period, there would have been no "French Revolution" a generation later. Does the world need such an awakening at the present time? "The Wesleyan Revival" will be the theme of the sermon by the pastor of Grace church next Sunday night. There will also be splendid music by the choir.

WELL KNOWN RESIDENT PASSED AWAY FRIDAY

Simon Cafky Died at Home, 209 South Prairie Street, Shortly Before Noon — Funeral Arrangements Not Made.

Simon Cafky, one of the oldest residents of this city, passed away at 12:10 o'clock yesterday afternoon, at his home, 209 South Prairie street, when nearly 85 years of age.

Mr. Cafky was born Nov. 22, 1836, and came with his wife and family to this city in 1874. He went into business here and remained one of the best known business men of the city until 1916, when he retired from active life.

Mrs. Cafky preceded her husband in death two years ago. He is survived by four children: Miss Helen Cafky of this city, W. W. Cafky of Florence, Col., O. H. Cafky of Forgan, Okla., and Mrs. R. W. Stark of Urbana, Ill. His two sons have been notified of his death, and were expected to arrive in the city today this morning. His two daughters, Miss Helen Cafky and Mrs. Stark, were with their father at the time of his death.

Mr. Cafky united with the First Baptist church of this city forty years ago, and as a deacon in the church, was always faithful to its services and to his office. He was a man of marked integrity, and was known among his wide circle of friends for his sterling ideas of honesty and uprightness. He was of a retiring disposition, but his loyalty to principle and regard for truth won for him the esteem and respect of all who knew him.

Funeral arrangements will be announced later.
